Guide to programs and services

The Voorhees Center for Health and Wellness is comprised of neighborhoods D and E. Navigating the building is based on this lettering system. For example, if you are looking for Virtua Center for Women in suite E340, you'll want to enter through entrance E and take elevator E to the third floor. Once you are on the floor you need, signage will guide you on your way. And if you need help at any time, please ask one of our team members.
