

Dear Prospective Junior Volunteer:

Thank you for your interest in the Virtua Health West Jersey Hospital Volunteer Services junior program. Junior volunteers must be 14 years old and have completed one year of high school.

Please complete the junior volunteer application form with the completed TB Test Permission Form and return it to me:

Tiffany L. Bennett
Director, Volunteer Services
Virtua Health

Upon receipt of your application, a short medical form is sent to your doctor, a form is sent to your guidance counselor, and requests for recommendations are sent to your references. When we receive your doctor's form, the guidance counselor form and the two references back, you will be called to attend an interview/orientation.

If you have any questions, please call me at (856) 325-3661.

I'm looking forward to meeting you.

Very truly yours,

Tiffany L. Bennett
