At CASTLE, our mission is to provide high-quality mental health services to children and adolescents experiencing emotional and behavior challenges. Members of the CASTLE team are committed to helping children understand and cope with the issues that brought them into treatment.

CASTLE offers a multi-disciplinary approach including the following services:

- Full day program
- Half day after school program
- Outpatient program
- Psychiatric evaluation
- Medication evaluation and therapy
- Individual, family, and group therapy

CASTLE accepts private insurances and Medicaid.
