

Covid-19 Update

Thursday, October 14

As of today, we have:

Confirmed COVID+ resident/patient within Facility	0
Confirmed COVID+ Staff on Quarantine	0

We remain in outbreak status until October 20, 2021. Indoor visits can continue at this time.

To continue to keep our resident, patients, and colleagues safe our mitigating practices include:

- Covid-19 testing of all unvaccinated staff will be ongoing
- All employees are required to be fully vaccinated
- Daily symptom screening
- **Personal Protective Equipment: A respirator protection program that complies with OSHA respiratory protection standards for employees.**
