

Guidelines for Visitation at Virtua Health and Rehabilitation Centers

Dear Residents, Patients, and Visitors:

We are happy to provide visitation for our patients/residents. There are a number of requirements to ensure the health and safety of our residents/patients and visitors. Thank you for your support with the following guidelines:

1. Visitation will occur by appointment.
2. The resident/patient has the right to approve all visitors
3. Visitors undergo the screening process as designated by the facility.
4. Both patient/resident and visitor must wear a mask at all times. Masks must be worn properly.
5. Anyone unable to wear a mask will not be permitted to participate in visitation.
6. Practice social distancing with no handshaking, kissing, or hugging and remain six feet apart.
7. Follow hand hygiene instructions and use hand hygiene stations.
8. Outside visitation will not be possible during inclement weather. If visitation needs to be rescheduled a staff member will contact the visitor to select an alternate date and time.
9. Only two visitors are permitted at the scheduled time and staff will remain present at the time of visitation.
10. New admissions to the facility or residents returning from the hospital can schedule visitation with family and friends at the conclusion of the fourteen day observation period absent symptoms of COVID.
11. Food/beverage can not be consumed at the time of the visit. It is strongly recommended food/beverage not be brought during visitation.
12. Visitors are expected to adhere to start and finish times of the visit. If visitors arrive late the appointment will end as scheduled.
13. The visitor agrees to monitor for symptoms of COVID for fourteen days post visit and notify the facility of any signs and symptoms of COVID by calling 856-322-3600.

We look forward to seeing our residents and patients enjoy visits from their loved ones and ask that you adhere to these guidelines so that we can maintain open visitation. Feel free to reach out to our receptionist to schedule a convenient time by calling 856-322-3600.
