

Covid-19 Update

Monday, January 18

As of today, we have:

Confirmed COVID+ within Facility	0
Confirmed COVID+ Staff on Quarantine	2

Our mitigating practices include:

- January 30, 2021 CVS on-site clinic to administer dose #2 of the Pfizer-BioNTech COVID-19 vaccine to our Long Term Care Residents.
- Testing of staff twice weekly based on regional positivity rate in accordance with Executive Directive 20-026.
- Daily symptom screening and weekly testing of residents in compliance with Executive Directive 20-026 due to current outbreak status.
- Prohibited entry of non-essential personnel, limited communal dining and group activities.
- Postponed non-medically necessary trips outside of building.
- Visitation restrictions in accordance with Executive Directive 20-026.
- Personal Protective Equipment: in compliance with Executive Directive 20-026.
