

# Allergy Notice

---

Dear Guests—

Virtua's Mobile Farmers Market's fresh fruits and vegetables are rinsed in an effort to clean their surface, but are otherwise unprocessed.

**Please be advised persons may be allergic to different fruits and vegetables. Reactions can range from mild to severe, and usually occur soon after contact to the fruit or vegetable.**

If you begin experiencing symptoms while, or after, eating a food, call your doctor or go to the nearest emergency room if symptoms progress.

Virtua lists all of the produce for sale at the market each day. If you have a known fruit or vegetable allergy, or if you have any questions or concerns, please ask to speak with a manager or staff member.
