Download Citrix Workspace for Android

- 1. It is mandatory to register for Microsoft Authenticator (Dual Authentication) to access Citrix. If you have not registered yet, please go to Virtua.org and go to "For Employees" for instructions.
- 2. Open the Google play store and then tap search.

3. Search for Citrix Workspace App and then tap "INSTALL".

- 4. Open Citrix Workspace App.
- 5. Select "Get started" button.

6. On the "Welcome" screen, enter the Store URL <u>https://citrix.virtua.org</u> then press the continue button.
