

Virtua Health COVID Vaccine Open Scheduling

1. Once you receive your vaccine eligibility notification, click on the **Continue to Scheduling** button on the Virtua COVID-19 scheduling homepage.

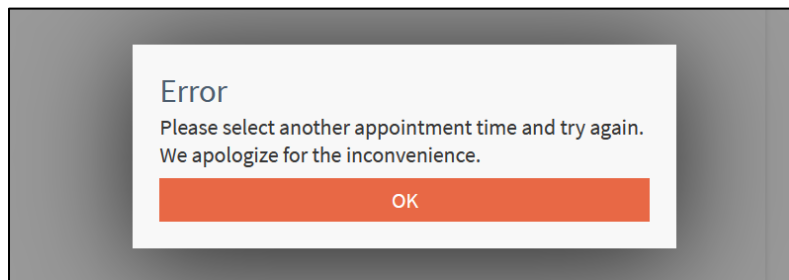

2. Select an appointment date and time by clicking on one of the available choices:

Virtua Health COVID Vaccine Open Scheduling

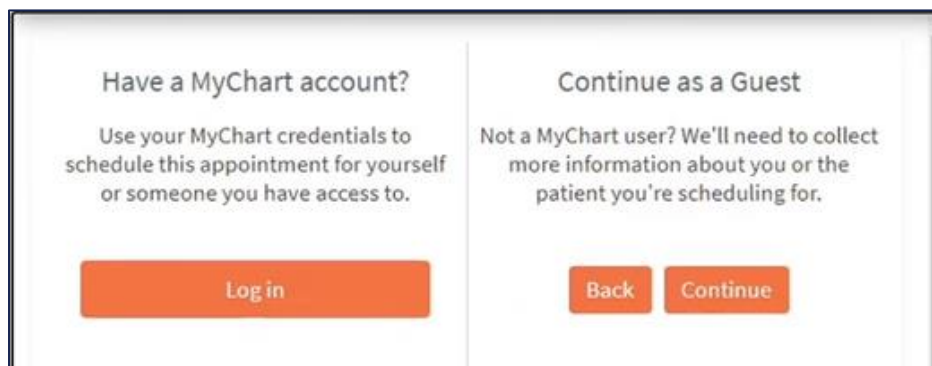

- a. Given the high demand for vaccine appointments, it's common for people to simultaneously book the same appointment. If the appointment becomes filled, you will receive an error notice and will need to select a new date and time. For security, you will also need to re-enter your social security number. We apologize for any frustration you might experience.

3. In the reason for visit search box, type **Covid Vaccine**:

4. You can continue scheduling with a MyChart account or Continue as a Guest.

- a. If you do not have a MyChart account, you must continue as a guest. Once you finish scheduling, you will have the option to sign up for MyChart if you choose.
